Bourne Christian Centre is a contemporary family church made up of individuals from different backgrounds who simply love Jesus and seek to demonstrate His love to others.

We are the umbrella to ministries reaching out to the local community through Bourne Family Project—low cost Adult Counselling, Childrens Creative Therapy & Forest School, Bourne Community Club & Silver Singers for adults to meet others in a safe space, Bourne Toddlers and Bourne Youth Club.

We are also the home to Crisis Centre Ministries East Bristol Foodbank Kingswood outlet providing shopping items for those in crisis and financial support with one of the citizens advice team.

NHSBT hire our space regularly so that the community are able to donate blood closer to home/work at a time that suits them.

YOU'RE INVITED TO OUR NEXT Kintsugi Hope Wellbeing Group

Come and join us as we journey together for 12 weeks to explore how to maintain positive mental and emotional wellbeing in the midst of our busy lives.

Kintsugi is the Japanese art of repairing broken pottery with seams of gold. When brokenness is repaired, the object becomes more beautiful and unique than it was before. Instead of hiding the scars, it makes a feature of them.

The Kingswood outlet of East Bristol Foodbank as you may be aware use our premises to provide food parcels to those in need. They serve the community each Tuesday 9:30-12:45 in the lower hall where a drink and biscuits are available along with financial advice if requested. If you would like to help by donating food, check their facebook page for shortages that week. Also, if you would like a food donation please contact Mark P or Dawn who will be able to help.

We are an NHSBT location for giving blood. If you are currently a donor and would like to use this location visit [My Donor Record - Find a session to book an appointment \(blood.co.uk\)](https://www.blood.co.uk) adding our postcode (BS15 8BE) in the search field and sign in. If you are considering becoming a donor, visit the same website and click I want to become a blood donor.

Bourne Family Project run a stay and play forest school for toddlers during term time at Magpie Bottom and Primary aged forest school during half term at The Tynings Primary School. Our outdoor sessions include a story and/or a song and activities relating to them making sure that every session is packed full of fun.

We also provide drinks and snacks to keep those energy levels up.
